CTAM Europe

CTAM Europe is a non-profit, non-commercial, professional membership organisation. It all started in the US 35 years ago with a vision to advance marketing excellence in the cable industry as well as the mastery of new technologies and strategic learning in cable, broadband and other emerging media.

These days, CTAM Europe provides marketing learning, sharing best practices and networking via CTAM Europe and GIGAEurope events, workshops and webinars for the Global cable, connectivity, entertainment, media and telecommunications industry.

We believe that connectivity has the power to transform lives. So we unite leaders in media, entertainment and technology to enrich the world through exciting experiences – from what we watch and how we communicate to the way we live and work.

Currently **CTAM US** has more than 2,500 individual members and is supported by hundreds of the industry's leading global corporations.

Bringing Content & Cable Together

With a large membership from the programming side, CTAM Europe brings together content executives with cable platform representatives via its networking events.

The Best Cable Marketing 'know-how', exploited and shared – CTAM Europe is the only organisation focused on Marketing Learnings to the Entertainment, Media, Cable and Telecommunications Industry.

The aim of our marketing initiatives is to understand and address industry topics in a holistic way and support business growth by learning best in class practices via our workshops, symposiums and **CTAM Europe** marketing sessions and panels at the annual GIGACongress event.

Understanding the customers' needs - CTAME's mission is to bring customer care education and resources to the industry in order to support customer care initiatives across the European region, and beyond!

CTAM Europe has close to 320 members and is growing.
